

CAREER GOALS

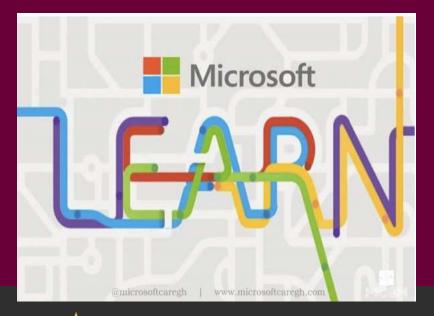

Kariyer hedeflerinizi belirlemek sürecin sadece yarısıdır. Oluşturduğunuz hedeflere ulaşmak için zihninizi ayarlamanız gerekir. Hedeflerinizi belirlemezseniz, onlara ulaşmak daha zor olacaktır. Kariyer hedeflerinizin aşağıdaki kriterleri karşıladığından emin olun:

Ölçülebilir olmalı - Kısa vadeli hedefleriniz ve üç yıl içinde işletme derecenizi tamamlamak

- uzun vadeli hedefleriniz için bir zaman dilimi belirleyin.

Gerçekçi olmalılar - Bu hedeflere gerçekten ulaşabilir ve bunu nasıl yapacağınıza dair planlarınız olabilir. Net bir yol haritası şeklinde organize edilmişlerdir. Genel hedefinize doğru her adımı tamamlamak için gereken eylemleri tanıyın.

How to use storytelling during an interview

I AM NOT...

Only answering yes/no

Repeating my job description

Responding with a list of skills

I AM...

Use STAR method

Talking about my impact

Highlighting my skills with examples

WWW.THELEADMEDIA.COM

Ace your Interview with STORYTELLING

SITUATION

Start your story by painting a specific picture of the situation you faced.

- What was the exact situation?
- Who was involved? (Address them by name)
- Why did the situation happen?

Use this opportunity to explain your specific role in the task.

- Why were you involved in the task?
- What is the background story?

ACHON

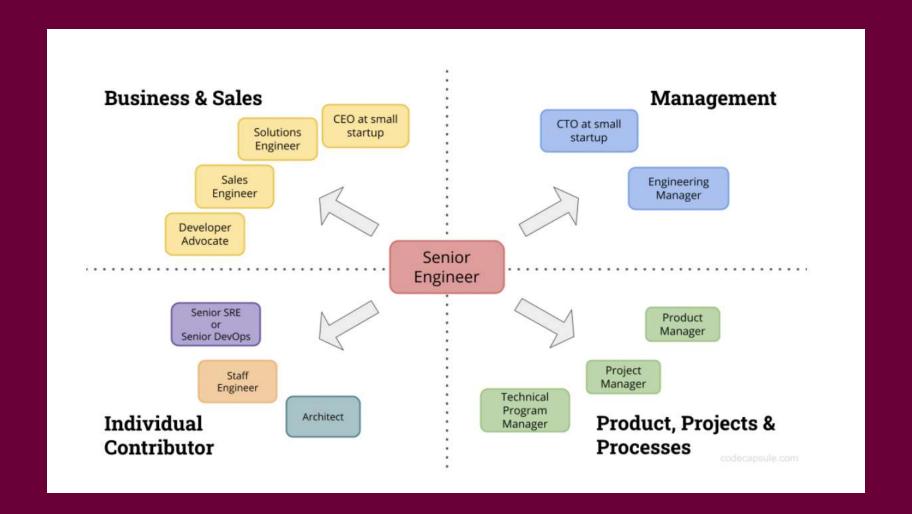

Discuss, very specifically, the actions you took to resolve the situation.

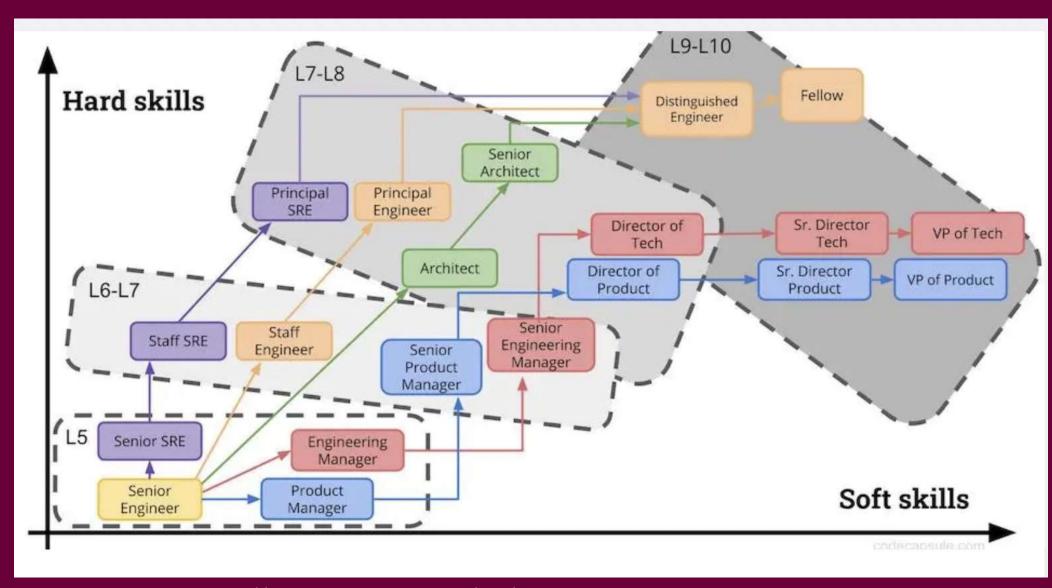

- What steps did you take to resolve the situation?
- Why did you choose to complete tasks this way?

Clearly detail the results of your actions and highlight your strengths.

- What was the outcome?
- How did you feel about the result?
- What did you learn?
- How did this situation influence who you are today?
